At Hurricane Grill and Wings our top priority is the health, safety and satisfaction of our guests. We are committed to providing the most accurate information possible. Menu item ingredients information is based on standard product recipes and as all of our menu items are prepared to order, so variations may occur due to ordinary differences inherent in the preparation of menu items, local suppliers, region of the country and season of the year. The nutritional analysis is comprised of data from Hurricane Grill and Wings suppliers, the United States Department of Agriculture and nutrient database analysis of Hurricane Grill and Wings recipes using MenuCalc Nutritional Analysis program.
